Re: Chapel Lane Bridge Widening ST04-1359-
TSP #: 03030244

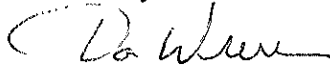

Dear Joe,

Enclosed is a copy of a revised manhour estimate for the construction administration portion of the above referenced project. We had submitted a manhour estimate for this portion of the project when we submitted our design cost proposal. However, the construction administration portion of the project was not included in our original contract with the City of Rapid City.

We would like to thank you for your consideration of our firm for this work.

Please Contact us if you have any questions

Sincerely,

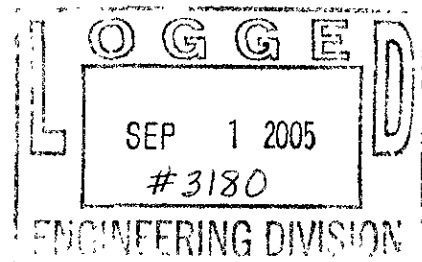

Don C. Wrede
