November 1, 2005 Public Works Agenda Item 26

An increase in the tipping fee for the Landfill and Material Recovery Facility to \$46.00 per ton plus the one dollar state environmental fee, for a total tipping fee of \$47.00, is recommended to cover:

Increased costs to comply with the litter control plan

Increased costs as the result of inflation

Increased costs as the result of higher energy costs, both diesel fuel and natural gas
