### MEMORANDUM

TO: Public Works Committee

FROM: Marcia Elkins, Director <sup>me</sup>

DATE: October 25, 2005

RE: Request for Additional Sign on City Property (Memorial Park)

Dr. Paul Reinke is requesting City Council approval to locate an additional sign at the Berlin Wall Memorial in Memorial Park.

An aerial photograph identifying the proposed sign location is attached. As noted on the aerial photograph, the sign will be located east of the current Berlin Wall Memorial along the entrance drive to the Civic Center. The sign is proposed to be a 4 foot by 8 foot ground sign, 8 feet in height with 4 feet of clearance. Also attached is a copy of the image that will be displayed on the sign.

The original Berlin Wall Memorial was approved as a Conditional Use Permit. The conditions of approval authorized the Growth Management Director to approve additional signage at the site. However, subsequent changes to the City Sign Ordinance additionally require City Council approval prior to the issuance of any sign permit.

Dr. Reinke is requesting City Council approval to locate the additional sign on City property.
