MEMORANDUM

TO: Public Works Committee/Common Council

FROM: John Less, P.E.
Traffic Engineer

SUBJECT: Request Authorization to Seek Proposals for Engineering Services
Project ST06-1560, CIP #50366
West Chicago Street Roadway Lighting (44th Street to Sturgis Road)

DATE: June 5, 2006

BACKGROUND:

Staff proposes to hire a consultant engineer to be responsible for designing, construction inspection, construction administration, and project closeout for the West Chicago Street Roadway Lighting Project. A project location map is included as an attachment to this memo. The project will consist of removing the existing median roadway lights and installing a roadside lighting system. Street lights will be installed on both sides of West Chicago Street in order to adequately illuminate the traveled way.

The CIP Streets Fund includes funding for this project in FY06 and FY07. The total project budget for design and construction costs is \$165,000. The project will be bid and constructed in 2007.

REQUESTED ACTION:

Staff requests that the Common Council authorize the issuance of a "Request for Proposals" for design, construction inspection, construction administration, and project closeout for the West Chicago Street Roadway Lighting Project.
