### MEMORANDUM

TO: Public Works Committee

FROM: Dave Van Cleave

DATE: June 22, 2006

RE: Water Reclamation Roll off Truck Bids; No. PW062706-08

In reference to the Water Reclamation Roll Off Truck Bids, we recommend rejection of all bids. West River International requested withdrawal of their bid due to leaving out a required steer able tag axle. All three vendors failed to meet specifications regarding control of the Power Take Off.

Dave McFarland has further researched the issue, and has reconfirmed that the required load sensing PTO is available from at least two sources. We recommend re-bidding the vehicle.
