RE: Project P 1669(30), PCEMS 4094
Fifth Street in Rapid City from Fox Run Drive to Nebraska

Dear Mr. Green:

The Department of Transportation would like to abandon all of the temporary easements associated with the above referenced project. This project closed on April 26, 2002 and these easements are no longer needed.

The temporary easements were acquired in the name of the City of Rapid City, therefore, the city will have to abandon them. I am enclosing copies of the temporary easements with the recording data.

Please send me a copy of the resolution abandoning these temporary easements so I can close out my file.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Jan Krull".
