MEMORANDUM

TO: Rapid City Planning Commission

FROM: Marcia Elkins, Growth Management Director

DATE: June 29, 2006

RE: **No. 06TP008 – Draft Rapid City Area Transportation Improvement Program (Fiscal Years 2007-2011)**

Each year the Rapid City Area Metropolitan Planning Organization is required to develop the Transportation Improvement Program (TIP). This is a five year priority list and financial plan for highway, transit and intermodal projects. The TIP is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

The TIP development, review, and approval process includes participation from affected public agencies, citizen's groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the draft 2007-2011 Rapid City Area Transportation Improvement Program.

STAFF RECOMMENDATION: The Executive Policy Committee of the Rapid City Area Metropolitan Planning Organization recommends approval of the draft 2007-2011 Rapid City Area Transportation Improvement Program.
