MEMORANDUM

TO: Public Works Committee and Council

FROM: Dirk Jablonski, Public Works Director

DATE: October 26, 2006

RE: Homeland Security Grant Application

The Rapid City Public Works Department would like to apply for a homeland Security Grant to upgrade our communications capabilities. The current two-way radio system is outdated and not capable of communicating with the State Radio System.

The new hand held radios will be used for normal daily operations, and if needed, they would be used to communicate with the State Radio System, Police, Fire and other emergency agencies.
