### MEMORANDUM

TO: Rapid City Planning Commission

FROM: Monica Heller, Community Planning Coordinator

DATE: June 27, 2007

RE: **No. 07TP013 – 2008 – 2012 Rapid City Area Transportation Improvement Program – Draft Report**

Each year the Rapid City Area Metropolitan Planning Organization is required to develop the Transportation Improvement Program (TIP). This is a five year priority list and financial plan for highway, transit and intermodal projects. The TIP is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

The TIP development, review, and approval process includes participation from affected public agencies, citizen's groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the draft 2008-2012 Rapid City Area Transportation Improvement Program.

**STAFF RECOMMENDATION: Staff recommends that the Planning Commission approve the attached 2008-2012 Rapid City Area Transportation Improvement Program – Draft Report.**
