October 30, 2007

To: Public Works Committee/City Council
Mayor Alan Hanks

From: Dirk Jablonski, P.E.
Director, Public Works

Ref: Elk Vale Low Level Reservoir

The Public Works Department requests authorization to proceed with the Elk Vale Low Level Reservoir project as presented at the October 17, 2007 City Council Information Meeting. A summary of the items requested to be authorized are listed below. Please note, the City Staff will request authorization from the Mayor and City Council for each phase of the project.

Authorize the following for the Elk Vale Low Level Reservoir:

1. Approve the recommended reservoir site.
2. Authorize the City Staff to pursue a permanent utility easement or land purchase for the recommended reservoir site.
3. Authorize that the reservoir be a partially buried circular concrete structure with water transmission main and appurtenances.
4. Authorize that the reservoir shall have a 3,500,000 gallon capacity.
5. Authorize that proposed funding will be \$3,500,000 from the Utility Facility (.16) Fund and \$1,500,000 from the Water Enterprise Fund.
6. Authorize the City Staff to pursue other items as may be necessary for successful completion of the project.
