MEMORANDUM

From: Brad Solon, Building Official
To: Rapid City Planning Commission
Date: April 16, 2008
Subject: Butterfly Lane - Street Name Change

The developer of Rockinon Ranch Subdivision has applied to change the name of Butterfly Lane. The application requests that the street name be changed from Butterfly Lane to Joplin Lane.

Butterfly Lane currently intersects Lennon Lane and Springsteen Lane within Rockinon Ranch Subdivision. There are no houses on the street at this time. No addresses will be affected by changing this street name. Any street signs displaying Butterfly Lane will have to be changed to Joplin Lane.

Staff has contacted the Fire Department, Police Department and Emergency Services. Staff has received no objections to renaming Butterfly Lane to Joplin Lane.

RECOMMENDATION: Staff recommends the street name Butterfly Lane be changed to Joplin Lane with the stipulation that the developer replace any existing street name signs at their expense.
