RE: Amendment #08-008 to the 2008-2012 Transportation Improvement Program

Attached for your review and approval is Amendment #8-008 to the 2008-2012 Transportation Improvement Program. This amendment adds an ADA upgrade to the intersection of St. Patrick Street and Mt. Rushmore Road in FY2008. Currently, there are no curb ramps in the NW quadrant of this intersection. There is a sidewalk and a staircase extending from the curb and gutter, but there is not an accessible/useable route for pedestrians with disabilities in this quadrant. The total project cost is projected to be \$161,000.

STAFF RECOMMENDATION: Staff recommends approval of the 2008-2012 Transportation Improvement Program Amendment #08-008.
