RE: Purchase of a ¾ ton pickup from McKie Ford in lieu of the state bid vendor Lamb motors

Robert,

The Water Reclamation Division requests permission to purchase a ¾ ton pickup with state bid specifications from McKie Ford for \$1.00 under state bid price of \$18,495. Total price is \$18,494.00.

As indicated above, McKie will sell the City a Ford F-250 that exactly matches the state bid standard specifications with no options. The purchase complies with the South Dakota Government guide for acquisitions, disposals, and exchanges.

The pickup is a replacement for truck #809, a 1998 ¾ ton Dodge pickup with 83,663 miles. The current vehicle is recommended for surplus. The purchase is under the budgeted amount of \$19,000.
