RECOMMENDATION:

Staff recommends that the Planned Residential Development - Initial and Final Development Plan be approved with the following stipulations:

1. The existing structures on the property shall continue to conform architecturally to the plans, elevations and color palette submitted as part of this Planned Residential Development. Any changes to the existing structures or addition of new structures will require a Major Amendment to the Planned Residential Development;
2. All provisions of the currently adopted International Fire Code shall continually be met;
3. All Provisions of the Low Density Residential District shall be met unless otherwise specifically authorized as a stipulation of this Initial and Final Planned Residential Development or a subsequent Major Amendment to the Planned Residential Development;
4. A Building Permit shall be obtained prior to any future construction and a Certificate of Occupancy must be obtained prior to occupancy;
5. The Planned Residential Development shall expire if the use as approved has ceased for a period of two years; and,
6. That the Planned Residential Development- Initial and Final Development Plan be approved in conjunction with the associated rezoning (08RZ034).

GENERAL COMMENTS: The property is located at 5617 Villaggio Lane, and is north of Catron Boulevard and west of Golden Eagle Drive. The property is currently zoned General Agricultural District. The property to the north is currently zoned Low Density Residential District. The property to the south is currently zoned General Agricultural District. The

property to the east is currently zoned Low Density Residential District with a Planned Residential Development. The properties to the west are currently zoned Low Density Residential District and General Agricultural District. The applicant has submitted an application for a Planned Residential Development – Initial and Final Development Plan for a single family residence. The Planned Commercial Development- Initial and Final Development Plan identifies an existing single family residence and two sheds located on the property.

An associated Rezoning request (#08RZ034) has been submitted in conjunction with this request.

On July 25, 2008 the applicant submitted a Preliminary Plat for the property to create a 3.17 acre lot leaving an unplatted non-transferable 10.415 acre balance. One of the stipulations of approval was that the applicant obtain approval of for a Planned Residential Development and that the property be rezoned from General Agricultural District to Low Density Residential District. The Preliminary Plat will be considered by the Planning Commission meeting on October 23, 2008.

STAFF REVIEW: Staff has reviewed the Initial and Final Residential Development Plan and has noted the following considerations:

Future Land Use Plan: The U.S. Highway 16 Future Land Use Plan identifies the property as appropriate for a Planned Residential Development with one dwelling unit per acre. The proposed three acres lot size is in compliance with the adopted Future Land Use Plan for the area.

Existing Structures: The applicant has submitted photographs of the existing single family residence located on the property. The photographs identify a single family residence that is tan in color. The existing elevations appear to be appropriate for the site. Staff recommends that the existing single family residence and two storage sheds located on the property shall continue to conform architecturally to the plans, elevations and color palette submitted as part of this Planned Residential Development. Any changes to the existing structures or addition of new structures will require a Major Amendment to the Planned Residential Development.

Fire Code: All provisions of the currently adopted International Fire Code are, being met on the property. Staff recommends that the currently adopted International Fire code be continually met.

Low Density Residential District: Staff noted that the existing residence on the property is in compliance with the regulations for the Low Density Residential District. Staff recommends that all Provisions of the Low Density Residential District shall be met unless otherwise specifically authorized as a stipulation of this Initial and Final Planned Residential Development or a subsequent Major Amendment.

Building Permit: A Building Permit must be obtained prior to any future construction and a

Certificate of Occupancy must be obtained prior to occupancy.

Parking: Section 17.50. 270. D. of the Rapid City Municipal Code requires that single family residential structures provide two parking spaces per dwelling unit. The applicant is currently meeting this requirement. A paved driveway from Villaggio Lane extends around the front of the house and provides the required off-street parking.

Staff recommends that the Planned Residential Development Initial and Final Development Plan be approved in conjunction with the associated rezoning request (08RZ034).
