Dear Chief Maltaverne:

I am writing you this letter in hopes to continue the long standing agreement between the Johnson Siding Fire Department and the Rapid City Fire Department. Years ago part of our district was annexed into the city, since then, we have always had an agreement to use water from fire hydrants in the Cleghorn Canyon area. This is an extremely valuable resource for us for fire protection, not only for the Johnson Siding area, also the western edge of Rapid City.

As Chief, I would like to thank you for the outstanding relationship between our two Departments. Our cooperation saves lives and property.

Sincerely, Chief Steven A. Smart
