

To whom it may concern:

I am writing to you today to appeal the denial of my request to eliminate the 5ft. curbside walk. I would like you to place this appeal on your next Public Works Committee agenda. My reasons are that no one else on Deadwood Ave. from Omaha to Interstate 90 has a sidewalk and with 98% of properties having been developed, future sidewalks look doubtful. It makes no sense to have one short sidewalk on Deadwood Ave. that is not connected to anything else. I would be willing to sign a Waiver of Right to Protest any future curbside request made by the city or county.

Sincerely,

Larry Motsick
