April 11, 2011

Robert B. Ellis, P.E./P.T.O.E.
Public Works Director
300 Sixth Street
Rapid City, SD 57701

Dear Mr. Ellis,

This letter is in response to our meeting regarding the installation of a sidewalk to Western Dakota Technical Institute at 800 Mickelson Dr. Rapid City. We are proposing that a sidewalk be installed from Campbell Street (Highway 79) east to WDT as well as from Valley Dr. west to WDT. The side walk will run east and west on Highway 44. Currently there are no sidewalks in this area, therefore, in order to walk or ride a bicycle to WDT a person is forced to travel on the highway with the vehicle traffic. The situation is unsafe. A student sustained injuries due to an accident while riding her bicycle to WDT three years ago.

WDT plans on breaking ground for the new building in 2011. Because a public library is included in the new building, the number of visitors and the amount of traffic will increase substantially. We have enclosed a diagram of the sidewalk that will be installed by WDT with the building as well as how it can tie into the new proposed sidewalk. Also enclosed are signatures of support from WDT students and staff, local business owners, and concerned residents.

Thank you for your time and consideration in this matter.

Sincerely,

Reed Foster, Chair
Student Government Safety Initiative Committee
Western Dakota Tech
ph. 545-7822

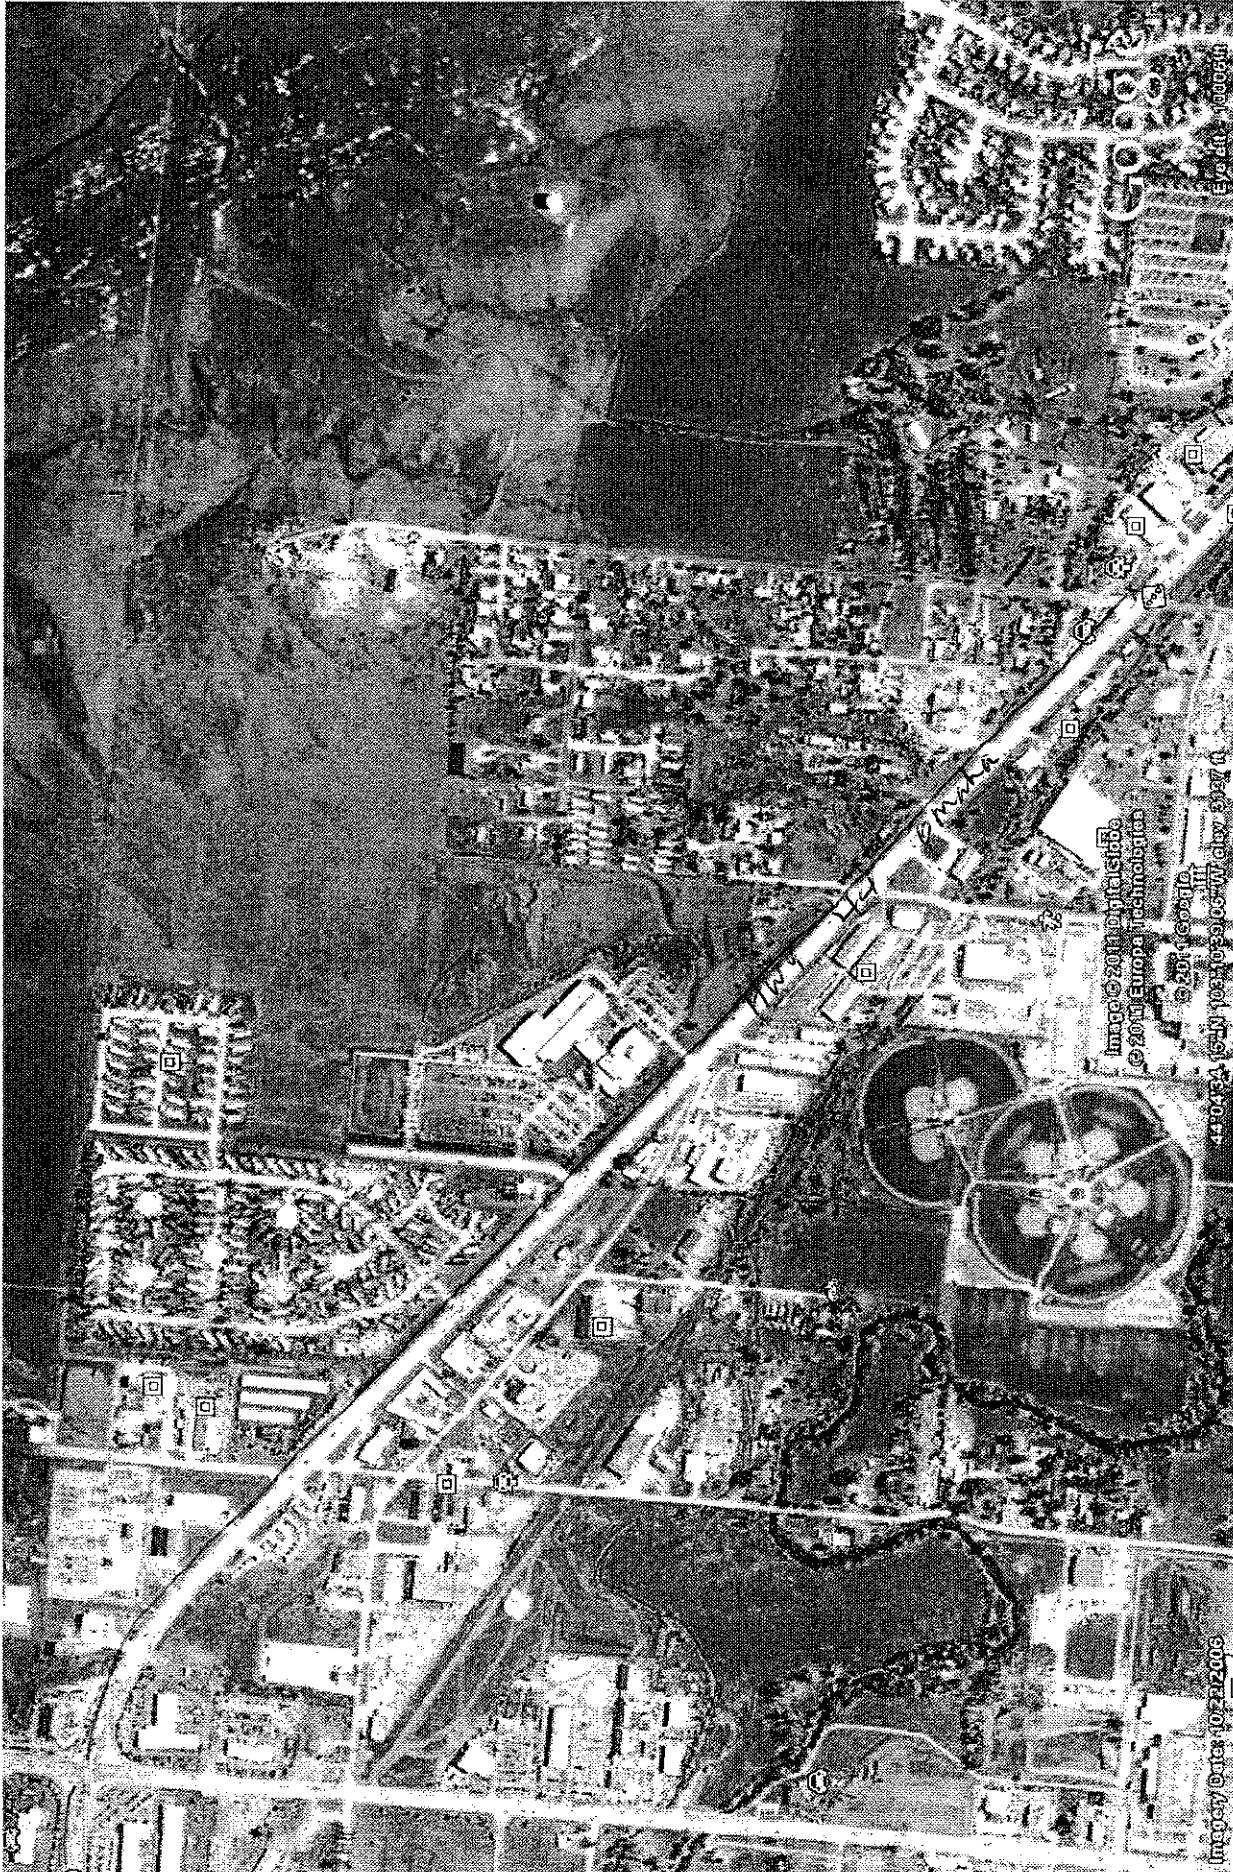

Enclosures: 2

Mission

Western Dakota Technical Institute is a public institution of higher learning where students acquire the knowledge, skills, and behaviors necessary for successful employment.

Item #3

Drive

— proposed sidewalk

----- WDT proposed sidewalk

It was about a 7:45 a.m. on a Tuesday morning that I was headed east bound on highway 44. I was on my way to a class at Western Dakota Tech where I attended about 3 years ago. I was riding my peddle bike along the curb because there are no sidewalks to ride on. I was peddling along as normal then all of a sudden I was struck by a pickup. I had to go to the hospital and get 7 stitches to my forehead.

Thank you,

A handwritten signature in cursive script that reads "Jennifer Reiser".
