To whom it may concern:

Working Against Violence, Inc. (WAVI) is a local nonprofit that provides temporary safe emergency shelter to victims, and their families, of domestic violence and sexual assault. WAVI also provide comprehensive case management services to victims in and out of shelter. Our mission is to create a community free of domestic violence and sexual assault through advocacy, education and support services.

WAVI is a United Way agency and volunteers participating in the Day of Caring on September 1st, 2011 will be working on the landscaping around the building. WAVI is requesting a donation of mulch (truck full) from the Rapid City Landfill to replace and refill the mulch lost throughout the year.

We are grateful for any donation you can make and appreciate your willingness to consider our request.
