### MEMORANDUM

TO: Planning Commission  
FROM: Patsy Horton, Division Manager  
DATE: November 28, 2011  
RE: No. 11TP032 Arterial Street Safety Study Draft Report

Attached for your review and approval is the Arterial Street Safety Study Draft Report. This report identifies the top ten arterial street segments with the highest critical crash rates determined by analyzing the past crash totals, daily traffic volumes and arterial segment lengths. The report also provides solutions with the greatest potential to improve arterial traffic safety for the top crash locations, including concept drawings on how to remedy the situation for the top ten arterial segments. The public was invited to an open house on November 15, 2011 to encourage discussion about the crash analysis and the recommended solutions.

**STAFF RECOMMENDATION: Staff recommends approval of the Arterial Street Safety Study Draft Report.**
