Re: Proposed Recreational Area Guide Signs
Omaha St. (SD-44), between Mountainview Rd. (SD-44) & 12th St./Founder's Park Dr.

Dear Mr. Matthesen:

As part of the ongoing Founder's Park parking lot and trail access improvements, the City of Rapid City hereby requests approval for the installation of two (2) recreational area guide signs on Omaha Street (SD-44). A map is attached that shows the proposed locations and also the sign layout. The City will install and maintain the signs and all materials will conform to the Manual on Uniform Traffic Control Devices. Note that the signs will not be installed until the parking area is fully accessible to the public.

Please feel free to contact me if you have any questions or need any additional information.

Sincerely,

John Less
Traffic Engineer
