## MEMORANDUM

TO: Terry Wolterstorff

FROM: Todd Peckosh

SUBJECT: South Valley Drive Extension, Project 11-1960 / CIP # 50886

DATE: June 4, 2012

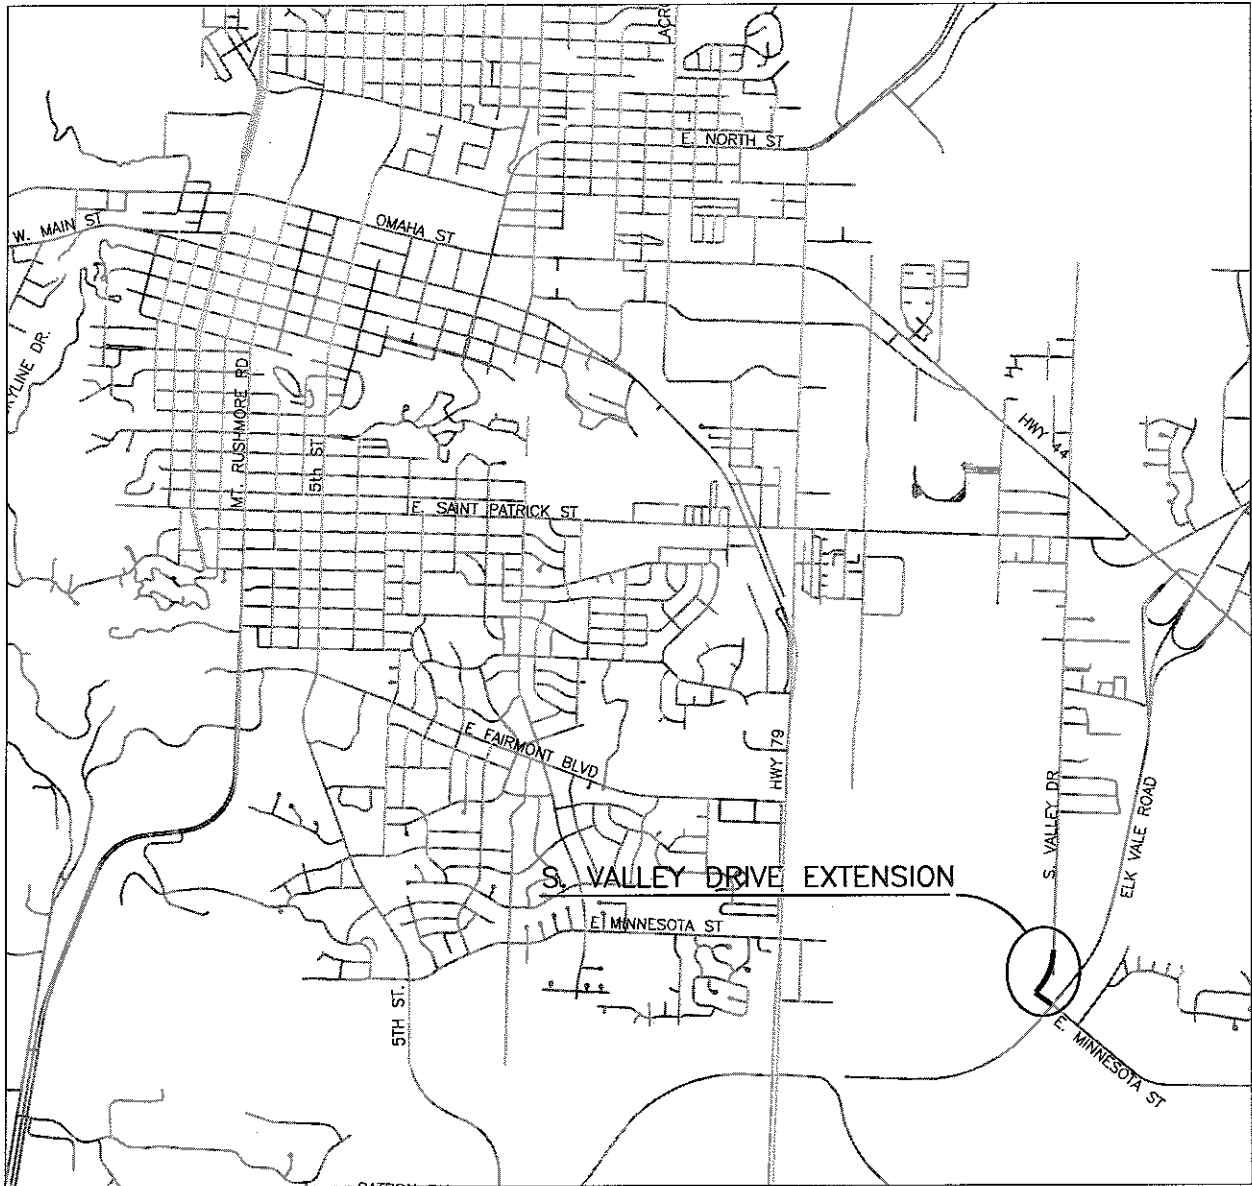

Based on the preliminary Estimate for this Project, the grading work and paving work will each consist of approximately 40% of the work, with construction staking, erosion control, traffic control, seeding, etc consisting of the remaining 20% of the Project. Contractors may not be able to meet the 50% requirement as stated in the City of Rapid City Standard Specifications, Section 7, General Conditions, Paragraph 7.40 entitled "Subletting of Contract," that the Contractor must perform 50 percent of the work on the contract. Therefore, I am requesting a reduction in the work requirement from 50% to 35%.
