SCOPE

It is the intent of these specifications to describe LIMESTONE GRAVEL in sufficient detail to secure comparable bids.

All bids must be accompanied by literature completely describing the LIMESTONE GRAVEL to be furnished. Each bidder must be a certified dealer authorized by the manufacturer he represents. Each bid shall contain a dealer and/or factory warranty as a guarantee of the product to be furnished. The guarantee shall be stated in the descriptive literature or by a letter.

GENERAL CONDITIONS

1) *Bidders Information*

Each bid envelope shall contain only one (1) Bid Proposal and shall be marked with the words "**Sealed Bid - Limestone Gravel**".

Each bid must be accompanied by a certified check, cashier's check or a bank draft in the amount of One Hundred Dollars (\$100), such check to be certified or issued by either a State or National Bank and payable to the City of Rapid City, South Dakota, or in lieu thereof, a Two Hundred Dollar (\$200) bid bond, such bond to be issued by a surety authorized to do business in this State, payable to the City of Rapid City, Rapid City, South Dakota, as a guarantee of the bidder entering into a contract to supply LIMESTONE GRAVEL for the City of Rapid City. After the terms of the contract have been met the bidder's check or bid bond will be returned to the successful bidder. Checks or bonds of all the unsuccessful bidders will be returned within thirty (30) days after the bids have been opened.

Bids submitted by mail, express courier, or common carrier can be accepted if received in the City Finance Office prior to the time for the scheduled bid opening. Bids submitted by telefax cannot be accepted.

Each bid envelope shall contain the entire set of specifications. To save time for both the bidder and the City, the bidder shall fill out and complete "ARTICLE 5 CONTRACT DOCUMENT" upon submittal of the bid.

To the extent provided by statute, preference will be given to materials, products, and supplies found or produced within the State of South Dakota. (SDCL Chapter 5-19; Residential Preference Statute.)

The City reserves the right to reject all bids. The lowest responsible bid, in all cases, will be accepted. If the low bid is not responsible or the bid is not made in accordance with the requirements of SDCL Chapter 5-19 or the low bid is withdrawn after the bid opening, the bid of the next lowest responsible bidder may be accepted; however, to the extent allowed

by law the City reserves the right to accept the bid that is to the advantage of and is in the best interest of the City of Rapid City.

Payment for LIMESTONE GRAVEL will be made by check, within a reasonable time after receipt and approval of the LIMESTONE GRAVEL, receipt of a City claim, and approval by the Common Council.

The unit price of the bid must be stated on the Bidder's Proposal form, along with the extended price bid. Unit price shall take precedence over extended price. Written figures shall take precedence over numerical figures. Bid award will be based on the total extended price.

The LIMESTONE GRAVEL shall be F.O.B. Quarry, Rapid City, South Dakota.

The quantities shown in the proposal are approximate for 2012. It shall be understood that the City of Rapid City reserves the right to purchase more or less than the specified amounts as it deems expedient.

Bids and quotations shall be for the period starting on or about March 20, 2012, and ending approximately one (1) year later and shall show net delivered prices without State or Federal taxes. The City of Rapid City prefers to receive firm bids from all bidders and will give first consideration to said quotations. The City reserves the right to reject any bid not stating a firm price as not responsive.

2) Rejection

If the material does not meet the requirements of these specifications, notice shall be given to the vendor within Ten (10) days after the receipt of the LIMESTONE GRAVEL. In this event, payment shall be withheld, and the vendor shall remove the product from the City premises and shall replace it with a like amount of acceptable LIMESTONE GRAVEL.

3) Contract Extension

The City of Rapid City annually reserves the option of extending the 2012 contract through the calendar years of 2013, 2014 and 2015. The extension option may be exercised if agreed to by both parties.
