In 2004, the City Council authorized the Parks / Recreation Facility Partnership Fund to provide funding for upgrades to facilities which are leased to non-profit organizations.

In 2013, we received one application that met qualifications for funding from the following organization:

- Storybook Island - Walkway Improvements

The application was rated using the criteria in the program documents authorized by the City Council.

Staff has reviewed the Storybook Island Walkway Improvements Project and recommends funding in the amount of \$12,499.

Please contact me at 394-5225 if you have any questions.
