Terry,

This letter is to confirm that the South Dakota Game Fish and Parks Outdoor Campus public water and sewer improvements project has been completed, tested, as-builts have been submitted, and the project is ready for acceptance.

Per rapid City Ordinance 12.04.170(B):

"Infrastructure Acceptance - The Public Works Director shall place on the Public Works Committee agenda an action item recommending acceptance of infrastructure when the project as a whole is ready for acceptance."

If you have any questions please let me know.

Sincerely,
