Subject: Purchase Request For Pickups from McKie
Attachments: 2013 Water Pickups Purchasing Authority McKie_6_2013.xlsx

Amber,

We are budgeted to purchase six vehicles for our fleet at the Water Division. I would like to get the five ½ ton 4X4's ordered per Ole's email below. I'll order the ¾ ton later this year. McKie will honor the state bid listing. The following pickups will be replaced. These trucks will be given to other departments (if they want them) or listed in next year's auction:

#344 – 1995 Dodge ¾ ton 4X4 with 92,045 miles.
#315 - 2001 Dodge ¾ ton 2X4 with 72,788 miles.
#313 – 2001 Dodge ¾ ton 2X4 with 97,101 miles.
#302 – 1998 Ford ½ ton 2X4 with 61,437 miles.
#310 – 2007 Ford ½ ton 4X4 with 106,000.

I've attached the Purchasing Authority and would like to have this placed on the next PW meeting on July 9th. The signed copy of the request is in the mail. Please let me know if you need any other information (by tomorrow 3:30 pm as I'll be on vacation July 1 – 12).

Thanks Amber,

John

Subject: RE: Six Pickups Needed for Water Division_2013

Good Morning John

I would be happy to do the F-150.

However the 2013 model Super Duty is build out I have been ordering 2014 for about a month sorry.

Do you have approval for the F-150?

Let me know if you have any questions.

Thanks

Ole Sjomeling
