MEMORANDUM

TO: Terry Wolterstorff

FROM: Louie Arguello, Engineering Project Administrator

DATE: August 20, 2013

RE: Exception to Section 7.40 of the Construction Specifications -
Reduce the amount of work done by the general contractor
from 50% to 35%

Minnewasta Road Water Main Reconstruction & Street
Rehabilitation – Project No. 12-2060 / CIP No. 50383

It is anticipated that it may be difficult for a single contractor to have direct control of at least fifty percent of the construction efforts as defined and required by Section 7.40 of the City of Rapid City Standard Specifications for Public Works Construction. City Staff believes it is in the best interest of the City to reduce the minimum percentage requirement from 50 percent to 35 percent for this project.
