MEMORANDUM

TO: Public Works

FROM: Sarah Hanzel, Planner I, Long Range Planning Division

DATE: January 23, 2014

RE: Authorize staff to advertise a Request for Proposals to resurvey the West Boulevard Historic District.

The Historic Preservation Commission received a grant from the State of South Dakota (Preservation Project SD 13-022) to further historic preservation efforts in Rapid City, including funds to resurvey the West Boulevard Historic District. The City of Rapid City is not required to provide any matching funds.

STAFF RECOMMENDATION: Staff recommends authorizing staff to advertise a Request for Proposals to resurvey the West Boulevard Historic District. The U.S. Department of the Interior National Park Service established standards for communities desiring to preserve history. As a part of these standards, periodic surveys must be completed to track and update the status of historic structures within established historic districts. The West Boulevard Historic District was last surveyed in 1992.
