Lon Van Deusen,
Parks & Cemetery
Manager
(605) 394-4175

Doug Lowe,
Recreation Manager
(605) 394-4168

Attached to the agenda for your consideration is an Agreement between the City of Rapid City and Stone Orchard Company to provide software services at the municipal cemeteries. Department staff conducted a webinar with each of the following companies to review the software they provide: 1) Stone Orchard, 2) Ramaker, and 3) Intera. Key items the City wants the software to provide include mapping, cemetery deeds, tablets, reports, maintenance, cemetery directory, search capability and uploading.

After reviewing all the information and talking with company representatives it was clear Stone Orchard would cover the City's needs the best. Their software has both the selling and mapping that we need, as well as the other amenities on our list.

The Agreement has been reviewed by the City Attorney's Office and is ready for signature if approved by the City Council.
