6. At the time of connection, Landowner agrees to contact the City's utility billing department to confirm that an account has been set up in his/her name, and to provide all necessary information and assistance as may be required to set up such account.

7. All of the terms and conditions herein set forth shall extend to and be binding upon the heirs, assigns, or successors in interest of the Landowner.

8. This Agreement constitutes the entire agreement between the parties, and supersedes all prior negotiations, agreements and understandings, whether oral or written. This Agreement may only be amended by a written document duly executed by all parties.
