MEMORANDUM

TO: USF/SAB28 Oversight Committee

FROM: Terry Wolterstorff PE, Public Works Director *TW*

DATE: April 14, 2014

RE: Funding request for the Jolly Lane to Reservoir Road Trunk Sewer

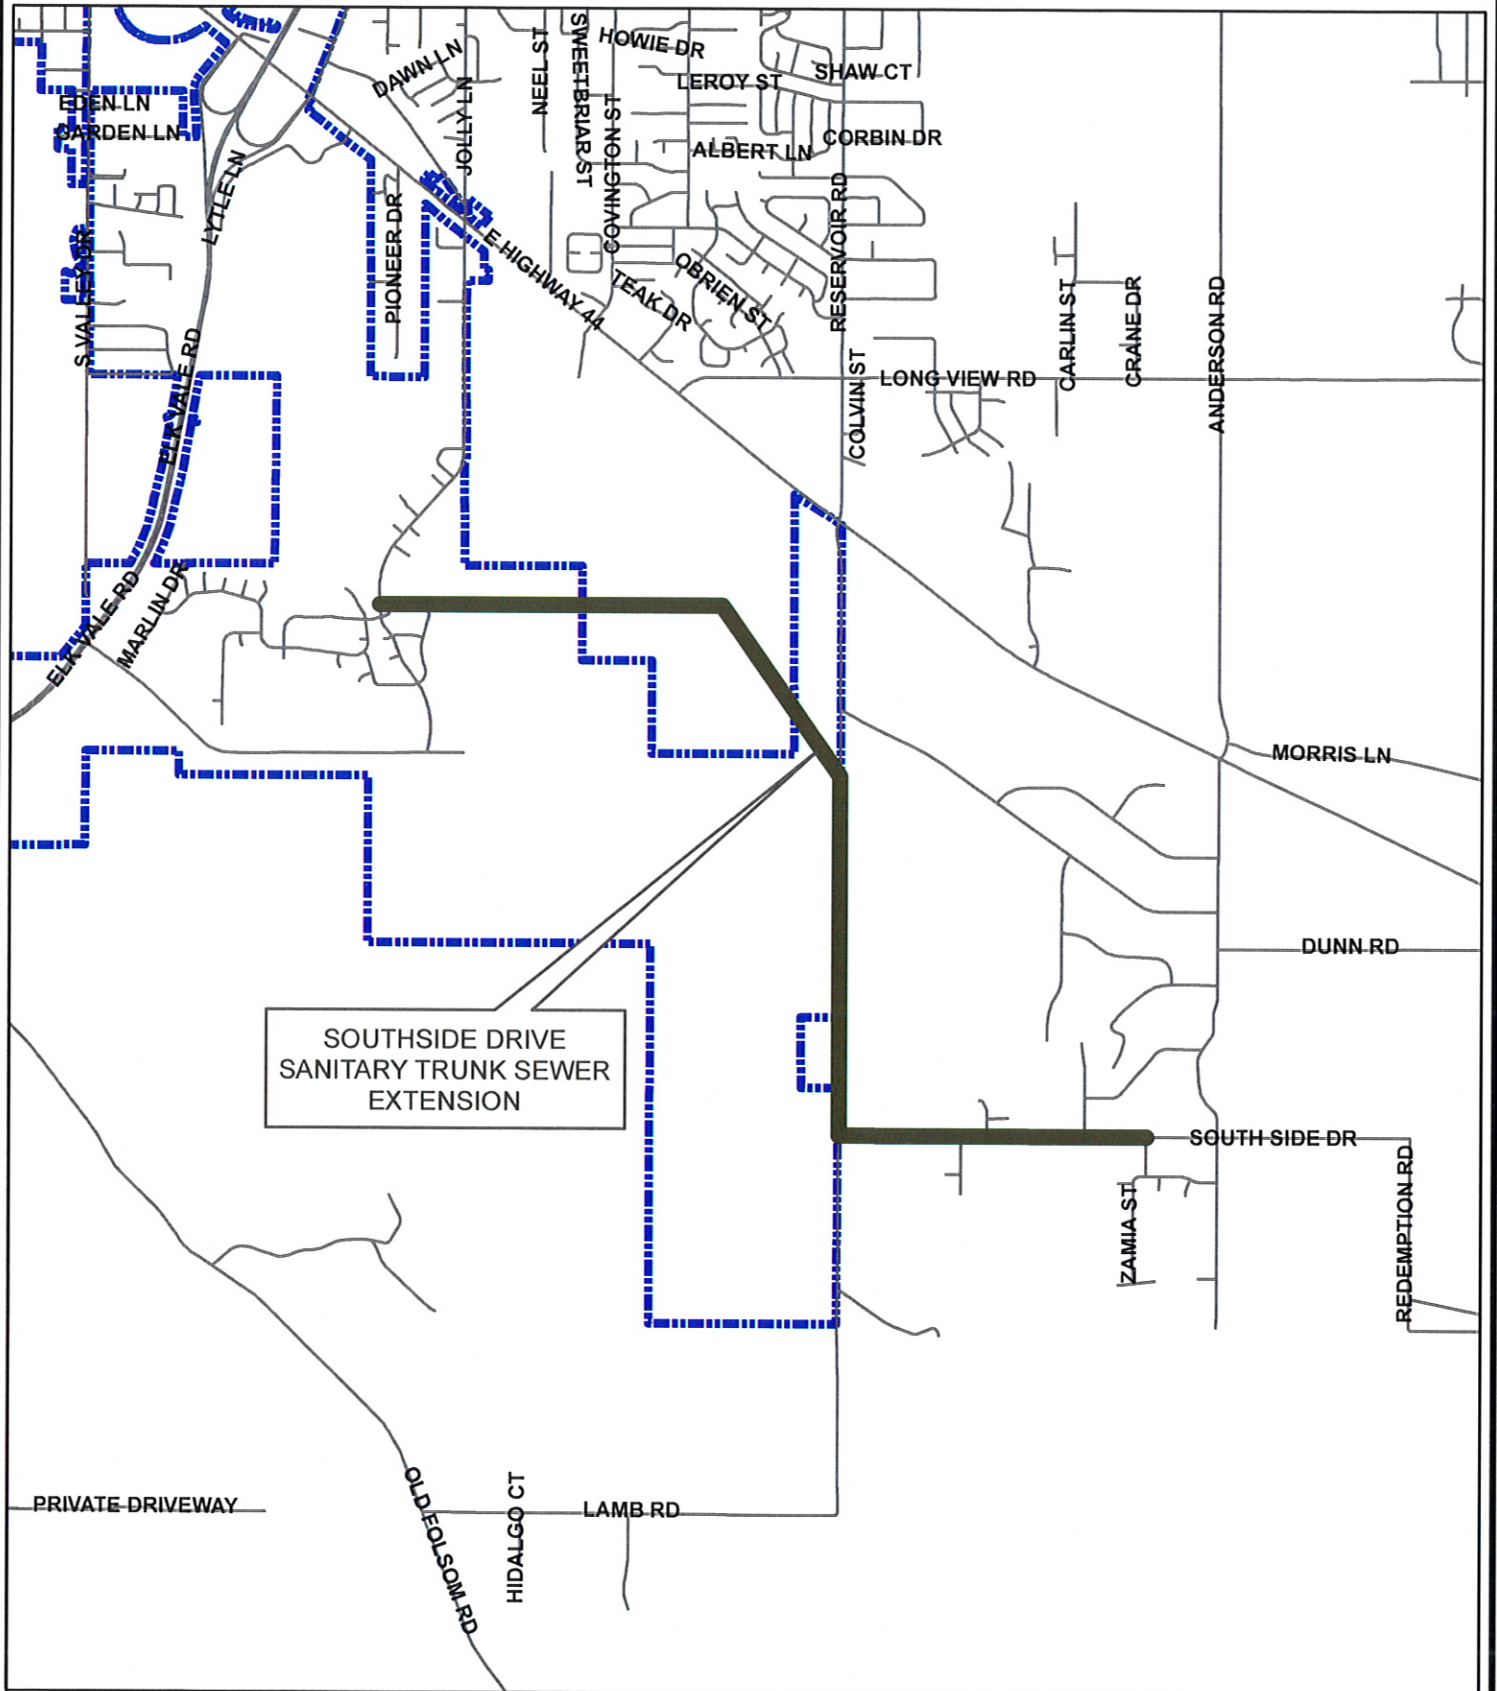

The Southside Drive Sanitary Trunk Sewer is a project that extends from the Jolly Lane lift station to approximately the intersection of Southside Drive and Anderson Road (see attached site map). Funding for a portion of the Southside Drive Sanitary Truck Sewer Extension project was allocated in 2012 from the Utility Support Fund. The remainder of the project was proposed to be funded from the Water Reclamation Enterprise CIP Fund. Due to funding limitations I am requesting that funding for the Jolly Lane to Reservoir Road portion also be funded from the Utility Support Fund. Total amount of additional funding is \$2,500,000
