**AGREEMENT BETWEEN THE CITY OF RAPID CITY AND SHANE SCHRINER AND JULIE SCHRINER FOR PURCHASE OF H-LOT**

This Agreement is made this 9 day of June, 2014, by and between the **CITY OF RAPID CITY**, a municipal corporation of the State of South Dakota (hereinafter the "City"), of 300 Sixth Street, Rapid City, South Dakota 57701, and **SHANE SCHRINER and JULIE SCHRINER**, (hereinafter collectively "Schriner"), of PO Box 555, Hill City, SD 57745.

WHEREAS, Schriner owns certain real property located on Enchanted Pines Drive in the City of Rapid City; and

WHEREAS, the City wishes to acquire public right-of-way in the form of an H-lot over a portion of this property for purposes of constructing and installing a sewer main; and

WHEREAS, Schriner has agreed to execute appropriate documents conveying an H-lot to the City under certain terms and conditions which the City has agreed to accept; and

WHEREAS, the parties desire to enter into this Agreement to reduce their mutual agreements to writing.

NOW THEREFORE, the parties hereby agree as follows:

1. Incorporation of Recitals. The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference as if fully set forth herein as agreements of the parties.

2. H Lot. Schriner will convey to the City by highway use deed an H-lot over the following property:

**A portion of the E½SW¼NE¼NE¼ of Section 23, T1N, R7E of the BHM, Pennington County, South Dakota, to be designated Lot H-1, as shown on Exhibit A, attached hereto and incorporated herein by this reference.**

Lot H-1 is estimated to be 17,531 square feet and shall be used as public right-of-way.

3. Monetary Consideration. The City agrees to provide compensation of Thirty Thousand Five Hundred Dollars (\$30,500) in exchange for the deeding of the H-lot described above.

4. Other Consideration. The parties acknowledge that the City would normally calculate a construction fee based upon the cost of constructing the new sewer main to be located within the right-of-way acquired by this transaction, and that fee would be assessed and collected prior to Schriener being allowed to connect a service line to the sewer main. This construction fee would be capped at \$7,500 per City policy. The City agrees that Schriener is currently able to connect to the City's existing sewer main, and does not require the construction of the new sewer main within the above-described right-of-way. As that is the case, Schriener shall be allowed one connection without the new sewer main's construction fee (\$7,500) being applied.

This Agreement does not waive the construction fees for sewer connection that have already been attributed to the property described above. Such construction fees total \$6,183.77. Any further development or subdivision of the property may result in a construction fee, related to the new sewer main constructed within the right-of-way described above, being charged for future connections.

Lastly, Schriener is also currently able to connect to the City's existing water main adjacent to its property. Schriener shall be allowed one connection to the existing water main without any requirement to extend the water main. Also, all existing construction fees totaling \$2,090.25 must be paid prior to connection to the water main. Future subdivision or re-development of the property may require extension of the water main and/or further construction fees.

5. Warranties of City.

a. City agrees to direct and require its contractors to maintain, at all times, reasonable access to the property. Such condition shall be made part of the construction contract between City and its contractor.

b. City agrees to comply with all applicable statutes, ordinances, rules, regulations and other laws in construction of the sewer main in the right-of-way.

c. All work by City shall be done in a workmanlike manner.

6. Costs of Recording. The recording fee for the highway use deed shall be paid by City.

7. Recording this Agreement. Either party may record this Agreement at its option and expense.

8. Survival of Representations and Warranties. All of the representations and warranties of the parties contained in this Agreement shall survive the date of this Agreement and the execution of the easement documents contemplated by this Agreement.

9. Default. City shall have the right to maintain and exercise all legal and equitable rights available to it under the laws of the State of South Dakota for Schriners' breach of this Agreement, including the right to specific performance.

10. Waivers. The failure by one party to require performance of any provision herein shall not affect that party's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

11. Time. Time is of the essence of this Agreement.

12. Effect of Agreement. This Agreement shall be binding in all respects upon and shall inure to the benefit of City and Schriners and their respective successors and assigns.

13. Integration. This Agreement constitutes the entire agreement between the parties, and supersedes all prior negotiations, agreements and understandings, whether oral or written.

14. Amendments. This Agreement may only be amended by a written document duly executed by all parties.

15. Counterparts. This Agreement may be executed in counterparts; each such counterpart shall be deemed an original and when taken together with other signed counterparts, shall constitute one Agreement.

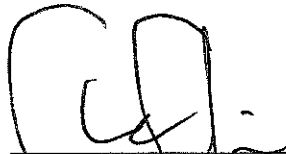

16. Severability. If any provision of this Agreement is held unenforceable by a court of competent jurisdiction, such holding shall not affect the remaining provisions of this Agreement, which shall remain in full force and effect.

17. Construction. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

18. Headings. The headings and numbering of the different paragraphs of this Agreement are inserted for convenience only and are not to control or affect the meaning, construction or effect of each provision.

19. Governing Law and Venue. This Agreement shall be interpreted under the laws of the State of South Dakota. Any litigation under this Agreement shall be resolved in the Circuit Court of Pennington County, State of South Dakota.
