Re: Park Concession Agreement of Paddleboats in Canyon Lake

Dear Jeff,

I apologize for the oversight on the expiration date. Five years sure went by fast!

We would like to propose a renewal with the same terms and conditions as before. Unfortunately we can't offer more as our revenue continues to decline, based on the fact that people can no longer feed the ducks and geese. This was a major draw to Canyon Lake Park in past years.

While this concession is not a big money maker, it is a nice amenity for the area.

Thank you
