Public Works Committee/Common Council

RE: Request Authorization to Seek Proposals for Engineering Services for
South Truck Route Drainage Basin Design Plan (DBDP) Element 203,
Project No. 14-2207 / CIP #51031

Staff proposes to construct modifications to an existing detention pond, identified as
Element 203 in the South Truck Route Drainage Basin Design Plan.

Staff proposes to hire a Consultant to be responsible for designing the project, bidding
the project, and providing construction observation, administration and project closeout.

The project is funded from the Stormwater Drainage Expansion and Operation funds.
The project budget is \$315,000. Staff proposes to bid the project in 2015.

Dale Tech, PE
City Engineer
