**SPECIFICATIONS FOR
UTILITY CUT PORTLAND CONCRETE REPLACEMENT
Rapid City, South Dakota**

Bids will be received at the Rapid City Finance Office, 300 Sixth Street, Rapid City, South Dakota until 2:00 P.M. May 13, 2014, for UTILITY CUT PORTLAND CONCRETE REPLACEMENT which shall meet the following specifications:

SCOPE

It is the intent of these specifications to describe UTILITY CUT PORTLAND CONCRETE REPLACEMENT in sufficient detail to secure comparable bids. The City's intent is to obtain a reasonable bid from all interested bidders.

GENERAL CONDITIONS

1) Bidders Information

Each bid envelope shall contain ONLY ONE (1) Bid Proposal and shall be marked with the words "Sealed Bid – UTILITY CUT PORTLAND CONCRETE REPLACEMENT".

Each bid must be accompanied by a certified check or cashier's check for five percent (5%) of the amount of the bid. Such check to be certified or issued by either a State or National Bank and payable to the City of Rapid City, South Dakota, or in lieu thereof, a bid bond for ten percent (10%) of the amount bid, and such bond to be issued by a surety authorized to do business in this State, payable to the City of Rapid City, Rapid City, South Dakota, as a guarantee of the bidder entering into a contract with the City of Rapid City. After the terms of the contract have been met the bidder's check or bid bond will be returned to the successful bidder. Checks or bonds of all the unsuccessful bidders will be returned within thirty (30) days after the bids have been opened.

Bids submitted by mail, express courier, or common carrier cannot be accepted unless received in the City Finance Office prior to the time for the scheduled bid opening. Bids submitted by telefax cannot be accepted.

Each bid envelope shall contain the entire set of specifications and a completed contract document. Incomplete bids will be rejected.

The City reserves the right to reject all bids. The lowest responsible total bid, in all cases, will be accepted. In case the low bid is not responsible or the bid is not made in accordance with the requirements of SDCL Chapter 5-18A through 5-18D or the low bid is withdrawn after the bid opening, the bid of the next lowest responsible bidder may be accepted; however, to the extent allowed by law the City reserves the right to accept the bid that is to the advantage of and is in the best interest of the City of Rapid City.

Payment will be made by check within a reasonable time after receipt and approval of the completed UTILITY CUT PORTLAND CONCRETE REPLACEMENT work performed, receipt of a City claim, and approval by the Common Council.

The unit price of the bid must be stated on the Bidder's Proposal form, with the extended price bid. Unit price shall take precedence over extended price. Written figures shall take precedence over numerical figures.

**DETAILED SPECIFICATIONS
UTILITY CUT PORTLAND CONCRETE REPLACEMENT
For
Water Division / Utility Maintenance**

The City of Rapid City is accepting bids for the replacement and installation of portland cut concrete (PCC) sidewalk, curb and gutter, drive ways, and pavement.

The City of Rapid City Utility Maintenance Crews are periodically called out to dig up and repair water & sewer service lines and main lines. Once the repairs are completed, any sidewalks, driveways, curb and gutter, and or concrete pavement must be replaced. This contract will require the contractor to replace concrete. As directed.

The bids will be accepted until 2:00 p.m., May 13, 2014, and shall be submitted on the attached form. Return the bids to the City Finance Office at 300 6th Street Rapid City, SD 57701. For additional information please contact Public Works at 394-4165.

The quantities contained in the Request for Bids are estimates only. The Contractor shall provide a per unit price based on the estimated quantities in the Request for Bids. The actual quantities will be based on the needs of the City during the contract term. The Contractor will be paid only for the quantities actually needed by the City, which may be more or less than the estimated quantities contained in the Request for Bids. If the City needs quantities over the amount estimated in the Request for Bids, the Contractor agrees to provide the City with the additional quantities requested at the per unit price contained in the Bidder's Proposal. **Bid award will be based on Grand Total Extended Price.**

Contract will be for approximately One (1) year beginning on May 20, 2014.

DETAILED SPECIFICATIONS / STANDARD SPECIFICATIONS

Standard Specifications for this project shall be the City of Rapid City Standard Specifications for Public Works Construction, 2007 Edition.

WORK EXPECTED TO BE DONE

The Contractor will be responsible to excavate, form and place portland concrete, backfill newly replaced concrete work and clean the work area. Seeding, sodding, or asphalt paving will be completed by others.

SCHEDULE

The Contractor will have Ten (10) working days from notification to complete the work. Work not completed within Ten (10) working days following notification shall subject the Contractor to liquidated damages according to Section 7.64 of the Standard Specifications for Public Works Construction, 2007 Edition. Exceptions to the ten-day requirement must be approved by the City Engineer or his/her designee.

REMOVALS

The Contractor shall be responsible for removing and disposing of all removal items. The Contractor shall furnish a site satisfactory to the Engineer for disposal of all removal items.

INCIDENTAL WORK

Incidental work shall include all miscellaneous items not included in the regular items covered by unit prices listed in the proposal, but which must be performed in order to properly complete the work.

Concrete Quality Testing: The Contractor is to be responsible for slump, air content, seven and twenty-eight day compressive strength test sets. All sampling and testing shall be done by certified testing laboratory personnel. Testing shall be done at the rate of one test set per maximum 30 cubic yards of concrete placed (per Section 55) or if the concrete repair is within a street pavement section. All test results shall be submitted to the Engineer prior to final payment. The Engineer or his/her representative shall be present for all field sampling. This testing will be by the bid item 'Plastic Concrete Tests'.

TRAFFIC CONTROL

The Contractor is required to maintain traffic control in accordance with the latest edition of the Manual of Uniform Traffic Control Devices (MUTCD). All traffic control shall conform to the latest version of the MUTCD.
