

Greetings members of the city counsel

I am the owner of a home located at 1231 Hill Street in Rapid City, I have an open single family building permit, permit number CTBP 14-2998. We are located on the south side of a dead end road that intersects with 12th Street there it is approximately 600 feet to the nearest side walk with no other properties on the south side of Hill Street with a side walk, I am requesting this variance because topographic constraints of this location and "the variance request is submitted as allowed for by Section 12.08.060.c of the rapid city municipal code"

THANK YOU
