Public Works Committee/Common Council

RE: Request Authorization for Staff to Seek Proposals for Engineering Services for Detailed Studies of Federal Emergency Management Agency (FEMA) Designated Special Flood Hazard Areas (SFHA) Project No.15-2244 / CIP No. 51057

Staff proposes to prepare detailed hydrologic studies, Letters of Map Revision to SFHA's identified in the current National Flood Insurance Rate Maps, amendments to existing Drainage Basin Design Plans, and recommendations for future public infrastructure projects including cost estimates for three FEMA Designated Special Flood Hazard Areas (SFHA) in Rapid City. The areas are located in Haines Avenue Drainage Basin (north Rapid City), South Canyon Creek Basin (west Rapid City), and Robbinsdale Drain Basin (southeast Rapid City).

Staff proposes to hire a Consultant to be responsible for design of the studies of the FEMA designated Special Flood Hazard Areas.

The project is funded from the Stormwater Enterprise fund. The project budget is \$210,000.

  
Dale Tech, PE  
City Engineer
