Craig,

Here is my bid for straightening the 38 memorials per the list sent to us.

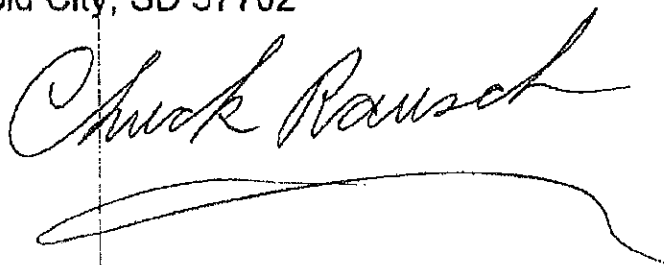

My bid includes straightening the 38 memorials by lifting the monument at the base and inserting a concrete mix under the memorial to hold the memorial in a level position.

Memorials will be straightened to within 1" of both horizontal and vertical.

The price for doing this work is \$8,030.00 plus any applicable sales or excise tax.

Estimated time for completion will be April 15, 2015 however if the weather stays nice we could have this done this year.

Thank You,
Chuck Rausch
