RE: Automated Garbage Collection Containers/Carts Contract Renewal

To Whom This Concerns:

Rehrig Pacific Company would greatly appreciate the opportunity to continue supplying the City of Rapid City with 65 and 95 Gallon Automated Garbage Collection Containers. Per the contract awarded in November 2014, the contract may be extended 3 additional calendar years after the first year of the contract ending 12/31/15.

With this letter, Rehrig Pacific is proposing to extend our partnership and through December 31, 2016, under the same terms and conditions. We are also pleased to announce that we will be able to honor the existing pricing of \$48.05 for 65 gallon carts and \$55.90 for 95 gallon carts.

If the City of Rapid City accepts this proposal, we kindly ask that you sign below and return a copy of this extension letter to Rehrig Pacific Company, 7800 100th Street, Pleasant Prairie, WI 53158 or you may send a signed electronic copy to my email or fax it to 262-947-3355.

If you have any questions regarding this extension letter, please do not hesitate to contact me.

Thank you for your time and consideration.

Respectfully submitted,

Beau Sullivan
