

**Agreement Scope of Services for Contract Amendment for the East Rapid City Water System
Expansion, Project No. 13-2107/CIP 50964**

GENERAL AGREEMENT SCOPE:

The City of Rapid City and Banner Associates has determined there is a need to allow adjustment to several of the team members assigned for the Rapid City East Rapid City Water System Expansion Project. This is a No Cost Adjustment amendment to the project.

The East Rapid City Water System Expansion Project generally consists of a major expansion of the municipal water distribution system to serve drinking water users with drinking water violations or unserved residents located east of the current City limits including approximately 28,770 feet of 12 inch water main, and 10,200 feet of 8 inch water main as well as a pressure reducing valve (PRV) facility.

Exhibit 'B' (Not included):

No additional tasks are requested to be provided. No change in contract amount.
