Dear Mr. Preston:

With your help, the Department of Environment and Natural Resources has been able to establish programs that help provide safe drinking water, adequate solid waste disposal, responsible wastewater discharges, and clean air for the citizens of South Dakota. These programs are supported by environmental fees which are paid annually.

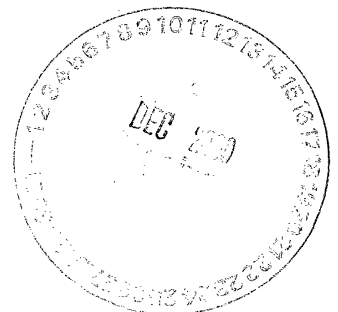

Your wastewater fee is due **January 31, 2001**. To make this process as easy as possible, we have itemized the fees due for your facility on the enclosed billing statement. The amount due should be made payable to the Department of Environment and Natural Resources and submitted with the bottom portion of the billing form to the Department of Revenue in the enclosed envelope.

If you have any questions regarding the surface water discharge fees, please contact me at (605) 773-3351. Thank you for helping us manage and protect the environment and natural resources of South Dakota.

Sincerely,

Kelli D. Buscher, P.E.
Natural Resources Engineering Director
