Questions?

Community

personal and professional commitment

We will commit to the community and work together to achieve a safe and healthy quality of life.

Service

above and beyond the call

We will utilize our resources in an effective, efficient manner to achieve a safe environment for residents and visitors.

Integrity begins at home

We will prepare and equip our members through training, education, and both personal and professional development to safeguard themselves, to be accountable to the citizens they serve and to make sound, ethical decisions.
