The Use on Review for Alcohol was approved in 1992. There has been a malt beverage and wine license at this location since that time. It was first operated by Karen and Paul Johnson until 1994/1995 and then transferred to Shirley Van Heuvelen. Van Heuvelen operated the establishment until 1997 and then transferred the licenses to Sievers, Ashley & Gartland. The liquor license for Vertigo was transferred to 615 Main Street in 1999.
