MEMORANDUM

To: Public Works Committee

From: Rodell Grosz, Water Task Force Committee

Date: June 22, 2006

RE: *Water Task Force Committee Request to Place Two (2) items on the June 27, 2006 Public Works Committee Agenda.*

The Mayor's Water Task Force Committee has requested that two (2) items be added to the June 27th Public Works Committee Agenda. This request is the result of discussions from the Water Task Force Committee meeting held on June 22, 2006.

The items are as follows:

1. To expedite the completion of the Madison Well Project on Catron Boulevard.
2. Hire a consultant to review and propose changes to the City's current Landscape, Plumbing, and Water Conservation Ordinances.
