MEMORANDUM

TO: Public Works Committee/Common Council

FROM: John Less, P.E.
Traffic Engineer

SUBJECT: Request Authorization to Revise Intersection Control
Anamaria Drive and Alta Vista Drive

DATE: August 18, 2006

In accordance with section 10.12.130 of the City of Rapid City Code of Ordinances, Common Council approval is requested for the revision of the intersection control at Anamaria Drive and Alta Vista Drive, specifically:

- The removal of the existing YIELD sign for the westbound approach of Alta Vista Drive.
- The installation of a YIELD sign for the southbound approach of Anamaria Drive.

Attached is a map illustrating the existing and proposed intersection control.

Traffic volume data collected during July, 2006 showed that the Alta Vista Drive carries a higher volume of traffic than Anamaria Drive. The proposed change would make the intersection control consistent with the traffic volumes and driver expectation.

REQUESTED ACTION:

Staff requests that the Common Council authorize:

- The removal of the existing YIELD sign on the westbound approach of Alta Vista Drive.
- The installation of a YIELD sign on the southbound approach of Anamaria Drive.
