City of Rapid City
Public Works Committee and Council

RE: Request permission to seek Consultant Services for 2007 (Citywide) Geotechnical Investigations, 2007 (Citywide) Materials Testing contracts and 2007 (2007) QA/QC Testing.

The City of Rapid City proposes to seek geotechnical consultant services for Geotechnical Investigations for those various projects planed for construction by the City of Rapid City in 2007 and 2008. This project has a budget of \$20,000.00 and will sunset on December 31, 2007. The Geotechnical Investigation project is required to provide information necessary for design purposes.

The City of Rapid City also proposes to seek geotechnical consultant services for Materials Investigations of work performed in 2007 by forces other than the City of Rapid City. This project also has a budget of \$20,000.00 and will sunset on December 31, 2007. The Materials Testing project is required to provide data for Quality Assurance/Quality Control for recently constructed infrastructure.

The City of Rapid City further proposes to seek geotechnical consultant services for Quality assurance and Quality Control of street construction work performed in 2007. This project also has a budget of \$20,000.00 and will also sunset on December 31, 2007.

Respectfully,

Joe Jagodzinski, P.E.
Project Manager
