Dear Mr. Green:

I am writing to request that the South Dakota 4-H Shooting Sports program be authorized to use the West Community Center as a shooting gallery June 24-28, 2007. During that time, the Center would be utilized as an air gun range for the National 4-H Shooting Sports Invitational. If authorization is granted, the National 4-H Shooting Sports Committee will provide a certificate of insurance to the City of Rapid City.

Range officials for the event will be a team of 4-H certified volunteers, who have received 16 hours of safety and youth development instruction, and members of the National Junior Olympic committee/USA Shooting from Colorado Springs. The 4-H program is committed to maintaining the highest standard of safety for the shooters, coaches and spectators.

4-H Shooting Sports has received previous authorizations from the City, in connection with its local program, which is conducted at the Walter Taylor 4-H Building at 601 Centre Street.

If I can provide any additional information, please contact me at 394-2236.

Sincerely,

Kathryn Reeves
