We hereby submit specifications and estimates for:

A: Build and install a wheelchair accessible desktop to existing lectern. Unit to be built with oak plywood, with tambour covering on face. Countertop to be black laminate, with oak edge, stained to blend with lectern.

Unit, installed per above \$ 1344.89

B: Build and install an add-on table for front of existing lectern. Unit will have black laminated countertop with oak edge, stained. Unit will have two black metal legs. Unit will be removable/attachable to front of lectern.

Unit, installed per above \$ 1103.06

C: Alter ramp to allow wider access to meet ADA requirements. Tear out and move half wall back and re-use owner's handrail to piece back in.

We have allowed \$300.00 carpet stretching allowance to re-stretch owner's carpet. Should the actual cost go over the allowances, the extra expense will be billed to the job as an extra cost. Should the actual cost go below the allowances, the savings will be credited to the end of the job.

Add 3 each 4" X 12" oak louvers, stained to blend with existing oak.

Alterations, per above \$ 1309.08
