MEMORANDUM

TO: Public Works Committee

FROM: Dirk Jablonski, Public Works Director

SUBJECT: Knollwood Drainage Project

DATE: July 3, 2007

Significant drainage improvements are needed to provide proper drainage in the Knollwood drainage basin. The cost for these improvements is estimated at \$3,427,000. Design of Phase One of this project has been initiated. It begins at the discharge point in Rapid Creek and runs just short of Highway 44. This design will be completed this year, and construction is programmed in 2010 at a cost of \$1,500,000.

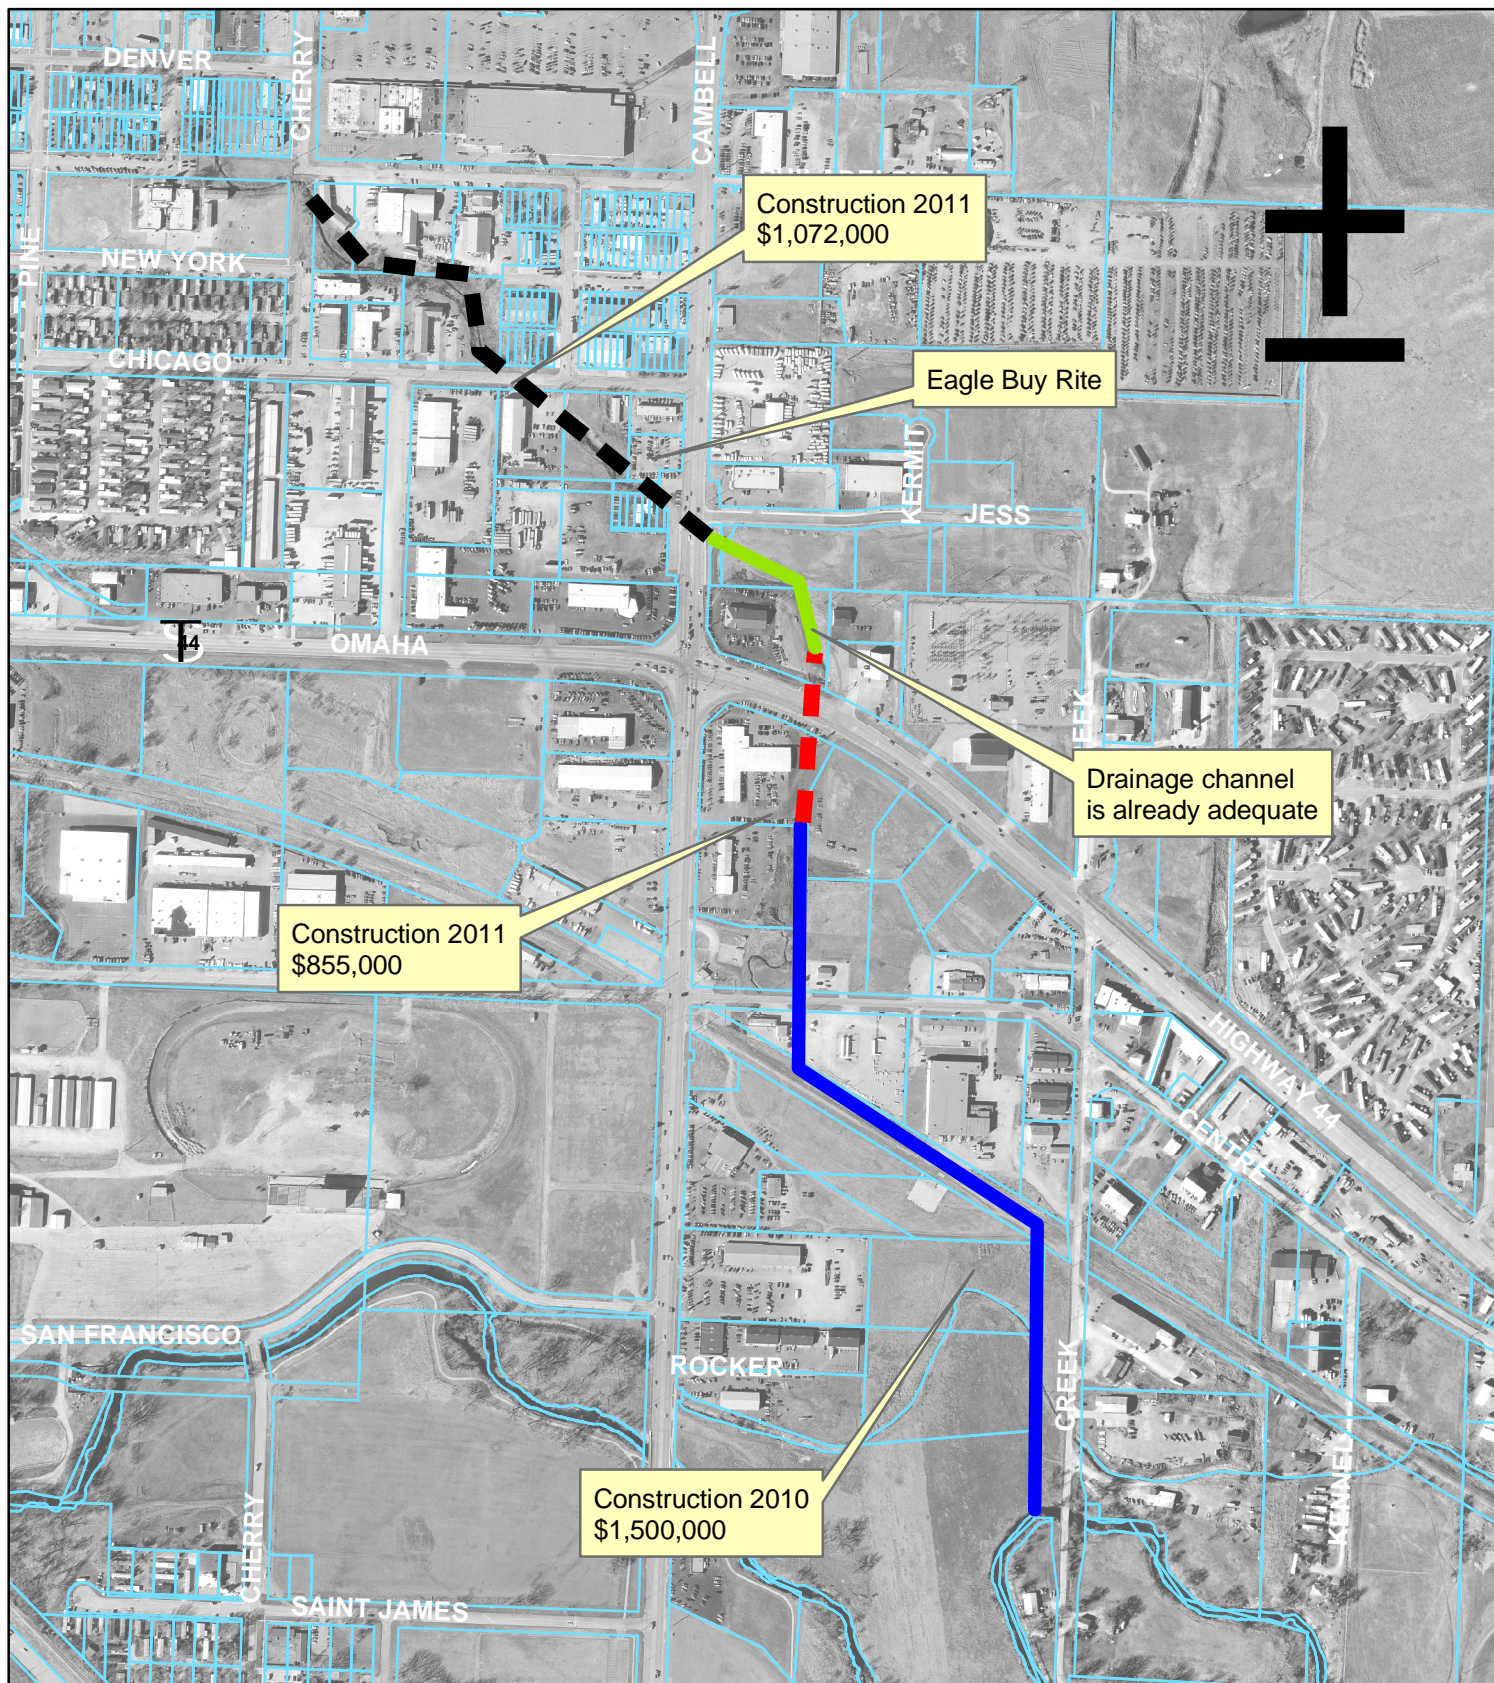

Phase two and three construction is currently programmed for 2011. These costs are estimated at \$1,927,000. The attached exhibit shows proposed phases and costs.

This information is presented to the Committee as directed. Direction from Council is required if a program other than the current one is desired.
