GENERAL COMMENTS: The applicant has submitted an Amendment to the Adopted Comprehensive Plan to change the land use designation from General Agriculture to Office Commercial. This undeveloped property contains approximately 1.43 acres and is located southeast of the intersection of Creek Drive and Marlin Drive. In addition, the applicant has submitted a Rezoning request (#07RZ070) to change the zoning designation of the subject property from General Agricultural District to Office Commercial District. Land located north, south, east, and west of the subject property is zoned General Agricultural District. The adopted Long Range Comprehensive Plan indicates that this property is appropriate for General Agricultural land uses. The Draft Future Land Use Plan for the Southeast Connector Neighborhood indicates that this property is appropriate for Office Commercial land uses.

STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

On October 10, 2007 the applicant requested that this item be denied without prejudice to allow the applicant to submit a revised legal description for the property. As such, staff recommends that the Amendment to the Adopted Comprehensive Plan to change the land use designation from General Agriculture to Office Commercial be denied without prejudice at the applicant's request.
