KOOIKER: Thank you, Mayor. This is somewhat of an unusual request, but, ah, um, Jack van der Geest gave an extraordinary speech to the Council a couple of weeks ago. And, that is memorialized in the record, but given the situation and extraordinary nature of what he had to say, I am wondering if it would be possible to put a, a, transcript of that in the record?

MAYOR: I am going to look to our City Attorney. Jason, would the appropriate way to handle this - approve the special Council meetings and continue the minutes for the March 2nd as for a verbatim on that section?

GREEN: That would be perfect.

MAYOR: OK. I assume that was your motion?

KOOIKER: Yes.

MAYOR: OK, very good. Do we have a second?

LACROIX: Second.

MAYOR: OK, we have a motion and a second to approve the minutes from the February 26, March 4th and March 5th Special Council meetings and continue the March 2, 2009 regular council meeting to the next Council meeting and ask staff to bring back a verbatim section when we were giving the award to Jack van der Geest. OK. Any discussion on that motion? Seeing none. All those in favor...
